Papers under disposal

From the Dy.Comm's report & the Govt: Records received thereon it is observed that certain members of the Madhwa community of Shimoga town, petitioned[X] complaining that the Smarthas intended to celebrate Sankara Jayanti carrying the photo of Sri Sankaracharyar in Addapalaki procession contrary to manual.

The papers were referred to the Amildar who granted the permission applied for by the Guarthars. The Dy Comm^r reports that the procession passed off without any hitch on the 11th April 1909.

P.S. Kept this letter as there is no other petition before Govt. If approved the Dy Comm^r's letter will be recorded. If it is thought necessary to enter into the merits of the case and decide the question that might also be done.

The contention of the Mandovis is that though this Govt has a right to go in Addapalli the Procession cannot be carried without an order from Govt or from a Civil Court. The authorities say that a photo may also be taken in procession in Addapalli and that last year there was no objection when it was taken in Addapalli.

Sir,

In reply to your letter No. 1735/Misc 572-28-2 of the 24th Instant, calling for a detailed report in the matter of the complaint of the Madhwa Community of Shimoga Town in respect of the carrying in procession in addapalke of the photo of Sri Sankaracharya on the occasion of the Jayanti anniversary on the 24th April, I have the honor to submit herewith copy of letter No 212 dated 26th Instant from Assistant Commissioner Mr. Mrityunjaya Iyer reporting upon the complaint and to state that there has been no innovation in the matter. From the enquiry held by the Assistant Superintendent of Police, it is established that last year, Sri Sankaracharya's photo was carried procession in addapalke in the streets of the and the same course was adopted this year. see how the Madhwa Community can

have any cause for complaint in this matter, since none of the Gurus of that Community have been allowed to use <u>alldapalke</u> in processions.

2 The procession is reported to have passed off without any hitch on the night of the 26th Instant.

Sir,

With reference to letter No 1735
Mug 7. 572-08-2
dated 24th April from the Secretary to the Government of H.H. the Maharaja of Mysore, I have the honour to state as follows:—

2. On the afternoon of 23rd April 1909, Honnali Narayana Rao and certain others of Shimoga presented a petition that the Smarthas of Shimoga, contrary to Manul, intended to celebrate Shankara-jayanti and to take in procession a photo in Addapalki on the following day i.e. on 24th April 1909, that such an Utsavam was opposed to Manul, and its celebration

9

might tend to a breach of peace and re-
questing orders prohibiting the Smarthas
from celebrating the Addapalki Utsavam
until they establish their right thereto
in a proper Court of Law or by a Govern-
ment order.

2. I at once forwarded this petition
to the Assistant Superintendent of Police
under a D.O. requesting him to enquire
into and let me know what had taken
place last year. At about 8 o'clock
on the same night, I received a D.O.
from the Assistant Superintendent of Police
enclosing the records of his enquiry and
stating that the enquiry held by him went
to shew that the "Procession of Shankaracharya's
Photo on the occasion of Shankarajayanti
last year was in Addapalki". Thereupon
I passed on the papers to the Amildar
of Shimoga Taluk for his information.

3. The Smarthas on the day of-
auti applied to the Taluk Amildar

for permission to hold the Procession as in previous years. This permission was granted by him and the Procession passed off without any hitch on the night of the Jayanthi.

4. I may here add that though Saturday the 24th was a holiday to me, as a member of Smartha Community, I had to attend office and Court that day to get through urgent work and it was 8 o'Clock at night when I returned home straight from office. I then found the enclosed telegram waiting for me. The telegram was greatly puzzling as there was nothing to show by whom it has been sent. I at once sent it to the Station Master with a note (overleaf of the telegram) requesting him to ascertain and let me know by whom it has been sent. Though a wire of enquiry was immediately sent no reply was received; in fact no reply has been received till now.

5. In the telegram itself there was nothing to justify any modification of action already taken. In the first place

it was not clear from whom the wire emanated and why it had been sent to me by personal address. Secondly there was no innovation to be prohibited as the Police Assistant Superintendent after an elaborate enquiry had stated in unmistakable language that the procession of last year was in Addapalli

6. I submit the entire records for reference.

May it please your excellency,

The humble memorial of the madhwa Community of Shimoga most humbly and respectfully showeth;—

That His Holiness Sri Swamigalu of Uttrajee mutt on his return from Udapi having been rather unwell, halted at Mandagadde, for a few days and on the 22nd ultimo encamped at Hosahalli a village 3 miles from Shimoga, when His Holiness understood that the Smartha Brahmins of Shimoga were celebrating the jayanthi Utsavam of Sre Shankaracharya and had determined to conduct agains- mamool a procession of Sre Shankaracharya's pholo in Addapalki though it has been never observed in the province, on the night of the 24th ultimo from the temple of Sre Lakshminarayana swami which is within a few yards from Sree Akshobhya Thirtha swamigala mutt where the madhwas

kac

had intended to lodge the sri Swamigalu.)

2. That inspite of the peace policy of His Holiness and his deciples at Shimoga, the Smartha Brahmins showed their tendency to Carry out their resolution to Conduct the photo procession influenced by Mr. Mrithunjaya Iyer, (Asst. Commr.) across the mutts of Sre Akshobheja Theertha Swami and sre Raghavendraswami, the former of which is dedicated to Sree Prana devaru (the first incarnation of Sreeman madhwa Charya) and the latter to His Holiness Sre Raghavendra Swamigalu.

3. That as a preventive step the madhwas protested against the intended plot as being against manool etc. in their petition dated 23rd ultimo, ~~[illegible]~~ presented to Mr. Mrithunjya Iyer, the Deputy Commr. being absent from station at Udupi.

4. That Mr. Mrithunjya Iyer in referring the petition formally for report to the Asst. Supt. of police, undertook to defray the Cost of Thanksdays Celebration (23rd) and was present himself to publicly advertise to his Community with all his religious zeal at the close of the Celebration that the Addapalki procession shall be led on the 24th night along the streets without fear of oppositions that might spring out from several directions,

when

when the gathering dispersed with Continued Clapse.

5 That thereupon the madhwas seeing that no justice Could be expected from the local authorities at Shimoga, as most of them are of Smartha sect sent a prepaid telegram to your excellency on the 24th morning, Copy enclosed, humbly soliciting urgent prohibitive orders to prevent the innovation.

6. That on the 24th night the photo Addapalki procession went on Cooly under the orders of Mr. Krishnaiya Iyer headed by the Amildar and the police, probably because no orders issued from the Government as prayed for, nor the madhwas were favoured with any reply either by Mr. Krishnaiya Iyer or from the Government.

7. That the madhwas Community beg permission to impose on your excellency the fact that the insignia of Addpalki is nowhere said to have been conferred on Sre Adi Shankara Charya, either in Shankaravijaya or elsewhere which treats of His Holiness' life, and that the said insignia is the one conferred on one of the successors some long time ago, and as such it is a question

to

to be solved as to how Sre Adi-Shankaracharya could be now held to be logically and legally entitled for it, and more particularly the fancy photo painted by Ravivarma as if the insignia were conferred on that photo only and as it will simply mean to say that the honours, titles, and estates individually achieved by a great-great-grandson is claimable by a great-great-grand father.

8: That further the celebration of Sre Shankarajayanti generally, and more particularly on this basis, is certainly a fresh introduction and hence an innovation likely to cause disturbance of religious peace among the loyal subjects of His Highness's Government, while the celebration of Sre Shankaracharyara's Aradhana privately in houses has been the practice only for sometime past without disturbance to other communities, and which has now been superseded most deliberately and

9. That the Sovereigns of Mysore and especially the Late most lamented Sre Krishnaraja Udayar Bahadoor who were all invariably so very earnestly faithful equally to all the founders of the

three

of philosophy

three Religions Schools, were maintaining the respective presteges of the several mutts and institutions, so that innovations of no kind Could Creep in under any Circumstance, and that therefore the madhwa Community most respectfully and humbly pray that the Government of His Highness will be so good as to once for all Cause the prohibition of the present innovation of the Smartha Community against future repetetions as the Continuence of the same is likely to Cause disturbance of relegious peace amoung the loyal subjects of His Highness the maharaja of mysore.

Petitioners beg to remain,

Sir

In reply to your docket no 2359 —— Mur 5-72-08-6 of the 23rd June 1909 regarding the procession in Addapalakki in the streets of the town of Shimoga, of the photo of Sri Sankaracharya on the occasion of Sri Sankara Jayanthi on the 24th April 1909, I have the honor to forward herewith, for the information of Government, a memorandum (in original) presented by Advocate Mr Seetaramaiya and signed by 56 persons of the Smartha Brahmin Community of Shimoga, from which will be seen that the observance

of

of Sri Sankaracharya's Jayanti and the carrying of Sri Sankaracharya's photo in procession in Shimoga in Addapalakki originated in a similar custom or usage followed in Sringeri.

2. As regards the mamool in Shimoga, it has been established by reliable evidence that Sri Sankaracharya's photo was carried in an Addapalakki in the year 1908 and previous years, and that the statement of five of the petitioners to the contrary which was made before the Assistant Superintendent of Police, is not true. These five persons are not leaders of the Madhwa community in any sense of the term. Their statements are contradicted by Seshanna, Venkataramanachar and Huchachar who belong to the Madhwa Community.

3. It is curious that the petitioners who say that they have no objection to the present Sri Jagadguru of Sringeri going in procession in Addapalakki should object to a photo of the founder of the Sringeri Mutt being similarly carried in procession.

4. The entire file on the subject, ending with the Shimoga Amildar's No: 215 of

Of the 25th November last is herewith submitted for reference and obliging return when no longer required.

I have the honor to be.
